2014 Sierra Foothills Papa Romano Red

The Super Tuscan was born in the Toscana region of Italy. Super Tuscans are primarily a blend of wines that are not generally found in Italy. Our Tuscan Styled Papa Romano Red is made in the Super Tuscan Style and is a blend of Sangiovese, Cabernet Sauvignon, Cabernet Franc and Merlot. It has aromas of dried cherry, cassis and saffron root. This full-bodied wine has forward fruit with a tangy acidity and a spicy long finish.

Food Pairing: wood-fired pizza, foie gras and rich pates, stuffed portabella mushrooms, braised beef and veal and pasta bolognese and grilled pork with herbs.

Cheese Pairings: parmigiano reggiano, pecorino romano, manchego and stilton.
